

**Betrayed & Forsaken**

The Official History of the Infants' Home, Ashfield, founded in 1874  
as the Sydney Foundling Institution  
*Susan Lorne-Johnson*

The Infants' Home has a long and proud history of supporting infants, young children and their families, especially mothers. The History has been well researched and is an inspiring story. *"The Home's evolution has been recorded from its beginnings as essentially a rescue operation to defeat infanticide, to The Home of today which still deals with high-risk situations but which also offers a range of other services" ...*

Her Excellency Professor Marie Bashir AC, former Governor of NSW and  
Sir Nicholas Shehadie, AC, OBE
